

Dear Parent or Guardian:

Now that our school year is in full swing, we want to alert you to an exceptional opportunity for you and for our schools.

Arizona is fortunate to offer a tax credit on state taxes. This applies to all Arizona taxpayers. Any taxpayer may contribute up to \$200.00 per individual or \$400.00 per couple, to any fee-required extra-curricular activity offered at the school of their choice. This is a direct credit, not a deduction. That means it is subtracted from the taxes you owe and is fully refunded for up to \$400.00. For example, if you regularly owe \$400.00 a year in Arizona state income taxes and give \$400.00 to a school, you would owe ZERO for the year you gave a tax credit. It literally costs you nothing to give the money. It comes back to you as a credit, refund or reduction. Remember this is for STATE taxes only.

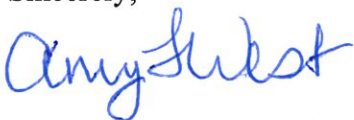

This is a wonderful win/win situation. As a taxpayer, you are able to reduce your tax burden while contributing directly to the school programs of your choice. Our local schools would welcome any amount as a tax credit contribution.

All of our Career and Technical Student Organizations (CTSO) are eligible to receive this funding. We can accept any amount from \$10.00 to \$400.00. Your WAVE School Board and WAVE Administration ask for your participation.

We urge you to help share this message with all Arizona taxpayers, your friends, neighbors and relatives. It's time to take advantage of this ability to benefit our students. Join us in our efforts towards excellence as we remember "Educating Everyone Takes Everyone."

Thank you in advance for utilizing this tax credit. If we can be of further assistance to you or answer any questions for you, please call 928-753-0747 and ask for Naydid Penaloza. Please consult with your personal tax preparer for tax advice. The funds must be received by April 15 to be used for the previous tax year. Our mailing address is WAVE JTED PO Box 69 Kingman, AZ 86401. We will send you a receipt so be sure to give specifics on your mailing information.

Sincerely,

Amy West, Superintendent

# Western Arizona Vocational Education Joint Technical Education District Tax Credit Form Career and Technical Education

Every dollar of state income tax paid through the Extracurricular Activity Fee School Tax Credit program is kept in your community and used directly for students to participate in activities—that’s dollar-for-dollar off your Arizona State income tax liability—up to \$200 per single and \$400 for joint filers. You don’t have to have children in the school district to participate.

Tax Credit dollars support the Career & Technical Student Organizations (CTSOs) and enables all students to develop leadership skills and life-long values by participating in CTSO activities and competitions.
